

# LOVE the FRAUENTHAL? Create a Legacy.

If you love the Frauenthal Center, you can help improve its future. Your gifts can create a Strategic Fund in your name, or in honor of a loved one, while providing a lasting resource to operate, sustain, and grow the Frauenthal Center for future generations to enjoy.

To create a Strategic Fund for the Frauenthal:

- **COMMIT.** Let us know you'd like to create a Fund, and we'll draft a simple document that states your intentions.
- **GIVE.** Your gift of \$5,000 creates the Fund right away, or you can build it over time with an annual gift of at least \$500. Whether you give via check, credit card online, stock transfer, or IRA (which qualifies as a Qualified Charitable Distribution if you're 70 ½ or older), your gifts enjoy maximum tax deductibility.
- **CELEBRATE.** Once you've reached \$5,000, your Fund will be permanently established to help sustain the Frauenthal! You'll join a growing list of people who love the Frauenthal and are providing resources to improve it - forever. Your Fund is a source of pride for you and an inspiration to your friends, family, and the community. It's also a ready vehicle to receive gifts from others on holidays, for special occasions, and even from your estate.
